CONGRATULATES  
INNOVATIONS PUBLIC CHARTER SCHOOL  
FOR RECEIVING THE CHARTER SCHOOL OF  
EXCELLENCE AWARD

During the 2010-2011 School Year students at Innovations Public Charter School in Kona, Big Island achieved academic success at a 20% higher performance rate than comparable public schools in the same area, with 86% proficiency in reading and 69% proficiency in mathematics.

Administrative staff demonstrates a strong willingness to partner with other schools and the surrounding community, and school faculty is diligent at identifying and obtaining funding for the school to ensure sufficient resources necessary to provide quality education.

Innovations Public Charter School is an exemplary school dedicated to the Hawaii Charter School mission of being committed to charter school success and helping Hawaii deliver quality, student-centered education to the next generation.

The Senate of the Twenty-Sixth Legislature of the State of Hawaii extends its heartfelt congratulations to Innovations Public Charter School for producing outstanding achievements in the 2010-2011 school year.
